Key Features

Curve Monitor

The curved display delivers a revolutionary visual experience with a leading 1800R screen curvature as the images appear to wrap around you for an in depth, immersive experience.

DisplayPort

DisplayPort has rapidly become the most versatile display connection, easily delivering video and audio. DisplayPort is also capable of delivering 1080P video over a length up to 15 m (45 ft) using a passive cable.

DVI

Providing the capability for analog and digital content, DVI inputs allow you to connect your favorite devices to the monitor to achieve stellar picture quality and performance.

HDMI (Monitor)

HDMI delivers superior high-definition to the monitor screen.

LED

With sharper contrasts of light and darks, LED display delivers a vast array of rich colors, ensuring that moving images have never been so pleasing to the eyes. LED Display offers a lifelike picture, complete with bright colors and crisp images.

Windows 10

Sceptre monitors are fully compatible with Windows 10, the most recent operating system available on PCs. Windows 10 provides the added convenience of being compatible with earlier versions, such as Windows 8, 7 and XP.

Key Features

Tilt

With the ability to tilt 15 degrees backward and 5 degrees forward, the added tilt feature will provide multiple options for finding the optimum angle to view the screen so that work and browsing can be performed with ease.
