

C325B-144KN

Overview

The Sceptre C325B-144KN is a 32" 1800R Curvature 1080P 144HZ Gaming Monitor that embraces all the speed and features that gamers crave. Featuring an incredible 144Hz refresh rate and 3 ms response time, fast moving visuals pose no problem for the C325B-144KN. For added competitive edge, choose between FPS and RTS game modes to access custom settings that enhance gameplay. With FreeSync option, the monitor's frames are synced with the graphics card's frames, which eliminates screen tearing and delivers smooth gaming experiences. The monitor also sports an aggressive dual colored housing, and along with its' curved design, immerses you in an action-packed 3D like environment.

With an unprecedented degree of versatility, DisplayPort delivers video and audio.

HDMI not only delivers superior digital video and audio, but also connects both to the monitor using a single cable.

Key Features

Curve Monitor

The curved display delivers a revolutionary visual experience with a leading 1800R screen curvature as the images appear to wrap around you for an in depth, immersive experience.

LED

With sharper contrasts of light and darks, LED display delivers a vast array of rich colors, ensuring that moving images have never been so pleasing to the eyes. LED Display offers a lifelike picture, complete with bright colors and crisp images.

HDMI (Monitor)

HDMI delivers superior high-definition to the monitor screen.

DVI

Providing the capability for analog and digital content, DVI inputs allow you to connect your favorite devices to the monitor to achieve stellar picture quality and performance.

DisplayPort

DisplayPort has rapidly become the most versatile display connection, easily delivering video and audio. DisplayPort is also capable of delivering 1080P video over a length up to 15 m (45 ft) using a passive cable.

Windows 10

Sceptre monitors are fully compatible with Windows 10, the most recent operating system available on PCs. Windows 10 provides the added convenience of being compatible with earlier versions, such as Windows 8, 7 and XP.

Key Features

Tilt

With the ability to tilt 15 degrees backward and 5 degrees forward, the added tilt feature will provide multiple options for finding the optimum angle to view the screen so that work and browsing can be performed with ease.

Customer Service

Our customer service representatives are, and have always been, based in the USA, guaranteeing that our customers' needs are met as efficiently as possible.

30 years of Experience

For over 30 years, Sceptre Inc. has maintained its winning formula of designing and delivering quality products for affordable prices in the USA. Founded in City of Industry, California, our mission ensures that our products continually evolve to better suit your needs.
