

Overview

The brightest lights and darkest darks unfold before your eyes whether you are working or gaming with the Sceptre 27" 4K UHD Monitor.

With an unprecedented degree of versatility, DisplayPort delivers video and audio.

HDMI not only delivers superior digital video and audio, but also connects both to the monitor using a single cable.

Key Features

Superior 4K Picture

Enter an unrivaled world of color variation, impressive contrasts, and image detail with 4K resolution (3840 x 2160). Sceptre 4K delivers a superior picture with 8 million pixels, four times more than a 1080P Full HDTV.

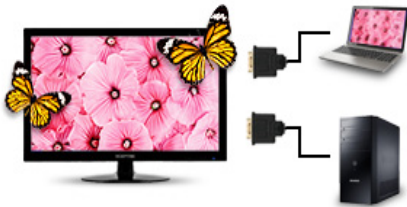

Windows 10

Sceptre monitors are fully compatible with Windows 10, the most recent operating system available on PCs. Windows 10 provides the added convenience of being compatible with earlier versions, such as Windows 8, 7 and XP.

HDMI (Monitor)

HDMI delivers superior high-definition to the monitor screen.

DVI

Providing the capability for analog and digital content, DVI inputs allow you to connect your favorite devices to the monitor to achieve stellar picture quality and performance.

DisplayPort

DisplayPort has rapidly become the most versatile display connection, easily delivering video and audio. DisplayPort is also capable of delivering 1080P video over a length up to 15 m (45 ft) using a passive cable.

Energy Star V7.0

Products that are ENERGY STAR-qualified prevent greenhouse gas emissions by meeting strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy. The ENERGY STAR name and marks are registered marks owned by the U.S. government, as part of their energy efficiency and environmental activities.

Key Features

Customer Service

Our customer service representatives are, and have always been, based in the USA, guaranteeing that our customers' needs are met as efficiently as possible.

30 years of Experience

For over 30 years, Sceptre Inc. has maintained its winning formula of designing and delivering quality products for affordable prices in the USA. Founded in City of Industry, California, our mission ensures that our products continually evolve to better suit your needs.
