Key Features

LED

With sharper contrasts of light and darks, LED display delivers a vast array of rich colors, ensuring that moving images have never been so pleasing to the eyes. LED Display offers a lifelike picture, complete with bright colors and crisp images.

Windows 10

Sceptre monitors are fully compatible with Windows 10, the most recent operating system available on PCs. Windows 10 provides the added convenience of being compatible with earlier versions, such as Windows 8, 7 and XP.

HDMI (Monitor)

HDMI delivers superior high-definition to the monitor screen.

VGA

With the ability to connect your computer, laptop, monitor, or TV to all your favorite variety of input options, VGA inputs deliver superb analog video.

Built-in Speaker

With built-in speakers, the monitor delivers office level audio for conference calls and internet workshops. Similarly, enjoy engaging audio while listening to your favorite tunes.

Tilt

With the ability to tilt 15 degrees backward and 5 degrees forward, the added tilt feature will provide multiple options for finding the optimum angle to view the screen so that work and browsing can be performed with ease.

Key Features

VESA Wall Mount Pattern

Using the VESA wall mount pattern, easily mount your Sceptre LED monitor on the wall in a manner that is both aesthetically pleasing and conveniently practical. You will be able to save ample space and view the screen in a position that affords the greatest visibility possible.

Energy Star V7.0

Products that are ENERGY STAR-qualified prevent greenhouse gas emissions by meeting strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy. The ENERGY STAR name and marks are registered marks owned by the U.S. government, as part of their energy efficiency and environmental activities.

Customer Service

Our customer service representatives are, and have always been, based in the USA, guaranteeing that our customers' needs are met as efficiently as possible.

30 years of Experience

For over 30 years, Sceptre Inc. has maintained its winning formula of designing and delivering quality products for affordable prices in the USA. Founded in City of Industry, California, our mission ensures that our products continually evolve to better suit your needs.
