

Sceptre Unveils SoundMixer, the All-in-One Home and Office Audio Hub

Portable audio hub easily connects to HDTVs and sound systems to integrate wireless microphones for added functionality

City of Industry – January 26, 2015 – [Sceptre](#), superior manufacturers of world class LED and LCD HDTVs and PC monitors, unveils their newest home and office sound solution, the SoundMixer portable audio hub. Ideal for gatherings, company events and parties, the Sceptre SoundMixer easily connects to an HDTV or sound system to integrate wireless microphones for added functionality.

Designed for any event, the Sceptre SoundMixer allows a presenter to effortlessly capture the attention of large audiences and can transform any gathering into a karaoke party. Sceptre’s SoundMixer features adjustable echo levels to create a surround sound feel, low latency audio to ensure outstanding audio quality without delays, and 2.4 GHz digital wireless technology for ultimate mobility without interference..

“The SoundMixer is compatible with most TVs or sound system in the market and eliminates the need for bulkier and more expensive karaoke and speaker systems,” says Cathy Chou, vice president of operations, Sceptre. “Our SoundMixer makes you feel like the focus of the stage, livens up any gathering, and is ideal for company gatherings, presentations or any event.”

Compact and portable, the SoundMixer weighs less than half a pound, can fit into any backpack and is ready to transform any place with a TV or sound system into a karaoke room. Sceptre’s SoundMixer is the perfect complement to Sceptre’s Sound Bars, SoundAnchor, SoundPal, and UHD TVs, and will be available in three different selections with optional microphones.

Sceptre’s SoundMixer microphones deliver supreme sound, and come equipped with 2.4 GHz Digital Wireless for lag-free sound without interference and unlimited mobility regardless of the activity. Perfect for business professionals or student presentations, the microphones can also control Microsoft PowerPoint slides, comes with a built-in volume control and have a range of up to 65 feet away.

The SoundMixer will be available at Amazon, Best Buy, Costco, K-Mart, Newegg, QVC, Sears, Target, TigerDirect and Walmart. For more information about the SoundMixer or the entire line of Sceptre products, please visit www.sceptre.com
