

**X370BV-FHD 37" Black LCD HDTV**

## Specification

### Display

|                        |                      |
|------------------------|----------------------|
| Active Screen Size     | 37"                  |
| Native Resolution      | 1920 X 1080 (Native) |
| Dynamic Contrast Ratio | Yes                  |
| Contrast Ratio         | 2500 :1 (Typical)    |

### LED Panel

|                    |                                     |
|--------------------|-------------------------------------|
| Refresh Rate       | N/A                                 |
| Aspect Ratio       | 16:9 Wide Screen                    |
| Brightness         | 450 cd/m2                           |
| Response Time      | 6.5 ms                              |
| Colors             | 16.7 million                        |
| Viewing Angle      | 178° (horizontal) / 178° (vertical) |
| LED Backlight Life | > 50,000 hours                      |

### Audio Features

|                           |                     |
|---------------------------|---------------------|
| Auto Volume Level Control | Yes                 |
| Speakers                  | 7 watts per channel |
| Equalizer Settings        | N/A                 |

|                                          |                                                                                 |
|------------------------------------------|---------------------------------------------------------------------------------|
| Surround Sound Mode                      | N/A                                                                             |
| <b>Video Features</b>                    |                                                                                 |
| OSD (On Screen Display Control)          | Picture, Sound, Channel, Parental, Setup, Others                                |
| Picture Mode                             | Custom / Standard / Mild / Vivid                                                |
| OSD Supported Languages / Subtitles      | English                                                                         |
| <b>Other Features</b>                    |                                                                                 |
| Weak Signal Enhancement                  | No                                                                              |
| Comb Filter                              | Digital Noise Reduction                                                         |
| De-interlace Technology                  | N/A                                                                             |
| Noise Reduction                          | 3D Digital                                                                      |
| MPEG Noise Reduction                     | N/A                                                                             |
| <b>Inputs &amp; Outputs</b>              |                                                                                 |
| HDMI (# of Ports & Version)              | 3 x HDMI Version 1.3 ports                                                      |
| Supported HDMI Signals                   | up to 1080P                                                                     |
| Cable / Antenna Input                    | 1                                                                               |
| Supported HDTV Signals                   | 1080P, 1080i, 720P, 480P, 480i                                                  |
| SPDIF Audio Output                       | 1 (Optical SPDIF)                                                               |
