

## Specification

### Display

|                        |                                   |
|------------------------|-----------------------------------|
| Active Screen Size     | 15.5" Diagonal Viewable           |
| Panel Type             | TN (Twisted Nematic)              |
| Native Resolution      | 1366 x 768                        |
| Refresh Rate           | Up to 60Hz Refresh Rate           |
| Aspect Ratio           | 16:9                              |
| Display Colors         | 262K                              |
| Response Time          | 10ms (G-to-G)                     |
| Pixel Pitch            | 0.252mm (H) x 0.252mm (V)         |
| Dynamic Contrast Ratio | 1,000,000:1                       |
| Color Gamut            | sRGB: 65% DCI-P3: 49%             |
| Contrast Ratio         | 3,000:1                           |
| Brightness (Typ.)      | 250 cd/m <sup>2</sup>             |
| Viewing Angle          | 90° (Horizontal) / 65° (Vertical) |
| Backlight Life         | 15,000+ Hours                     |
| Surface Treatment      | Antiglare, Hard coating (3H)      |

### Features

|                                 |                                                     |
|---------------------------------|-----------------------------------------------------|
| On Screen Display Control (OSD) | Picture, Sound, Channel, Setup                      |
| Color Temperature               | Warm, Normal, Cool, Standards                       |
| Support MHL                     | Yes                                                 |
| Adjustable Picture Control*     | Brightness, Contrast, Backlight, Color, Tint, Sharp |
| Picture Presets                 | Normal, Wide, Cinema, Zoom                          |
| Built-in Tuner                  | ATSC / NTSC                                         |
| OSD Supported Languages         | English (Default), Spanish, French, Chinese         |
| Weak Signal Enhancement         | Yes                                                 |
| Built-in DVD Player             | Yes                                                 |
| Comb Filter                     | 3D                                                  |
| De-interlace Technology         | 3D                                                  |
| Auto Dynamic Contrast Mode      | Yes                                                 |
| Noise Reduction                 | Yes                                                 |
| MPEG Noise Reduction            | Yes                                                 |
| Surround Sound Mode             | Yes                                                 |
| Sound Equalizer Settings        | Yes (5-band)                                        |
| Auto Volume Level Control       | Yes                                                 |
| Wall Mountable                  | Yes                                                 |
| Energy Guide                    | Yes                                                 |

#### Audio Features

|          |           |
|----------|-----------|
| Speakers | 2 × 3W/4Ω |
|----------|-----------|

#### Video Features

|               |           |
|---------------|-----------|
| White Balance | Available |
|---------------|-----------|

#### Signal Compatibility

|                          |                                        |
|--------------------------|----------------------------------------|
| VGA Input Signal Support | Up to 1360 × 768 @ 60Hz (Native & Max) |
|--------------------------|----------------------------------------|

#### Inputs & Outputs

|                               |                                                  |
|-------------------------------|--------------------------------------------------|
| HDMI (# of Ports & Version)   | 1 × HDMI (HDMI shares with MHL port)             |
| Supported HDMI Signals        | 1080/24p, 1080/60p, 1080i, 720p, 480p, 480i      |
| Cable / Antenna Input         | 1 × IEC-Connector 75Ω                            |
| 3.5mm Auxiliary Input Jack    | 1 × PC Audio in terminal (black)                 |
| Supported HDTV Signals        | 1080p, 1080i, 720p, 480p, 480i                   |
| SPDIF Audio Output            | 1 × SPDIF (Optical, Black)                       |
| VGA (# of Ports)              | 1 × D-SUB terminal (blue, 15 pin)                |
| Component (YPbPr) Input       | 1 × Component (Audio input share with composite) |
| 3.5mm Headphone Jack (Output) | 1 × Earphone terminal (black)                    |
| USB                           | 1 × USB 2.0                                      |
| Composite Video               | 1 × Composite                                    |

#### Mechanical Features

|                                 |                 |
|---------------------------------|-----------------|
| VESA Mount Pattern (mm)         | 75mm x 75mm     |
| VESA Mount Screw Size (mm)      | M4 x 8mm        |
| Neck Screw Size & Quantity (mm) | M3 x 6mm (3pcs) |

#### Dimensions

|                                |                         |
|--------------------------------|-------------------------|
| With Stand (inches, W x H x D) | 14.72" x 10.80" x 4.72" |
|--------------------------------|-------------------------|

|                                          |                                                                                                                                                                        |
|------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Without Stand (Inches, W x H x D)        | 14.72" x 9.63" x 2.22"                                                                                                                                                 |
| Carton Box Dimension (inches, W x H x D) | 17.05" x 12.36" x 4.72"                                                                                                                                                |
| <b>Power Consumption</b>                 |                                                                                                                                                                        |
| Standby Power Consumption                | ≤0.5W                                                                                                                                                                  |
| <b>Weight</b>                            |                                                                                                                                                                        |
| Net Weight with Stand (lbs)              | 3.53 lbs                                                                                                                                                               |

## Key Features

### LED

With sharper contrasts of light and darks, LED display delivers a vast array of rich colors, ensuring that moving images have never been so pleasing to the eyes.

### Built-in DVD Player

Built-in DVD Player allows you to enjoy your favorite DVDs without needing to purchase a separate DVD player. A single remote control commands all functions of the TV and the built-in DVD player.

### HDMI

HDMI not only delivers superior digital video and audio, but also, connects both to the TV with only one cable.

### Coaxial Digital Out

Offering superior backwards compatibility for stereo receivers. This Sceptre TV is equipped with a Coaxial Digital audio output which will enrich your TV audio experience with the coaxial supported soundbar, soundbase or audio equipment.

### VGA

With the ability to connect your computer, laptop, monitor, or TV to all your favorite variety of input options, VGA inputs deliver superb analog video.

### USB Port

Let's you view your pictures as a slideshow or listen to your favorite music via the USB port. Just insert your flash drive into the USB port for the ultimate entertainment.

## Key Features

---

### **Energy Star V7.0**

By meeting EPA and DOE standards, Sceptre's ENERGY STAR-qualified products prevent greenhouse gas emissions and provide energy savings for customers.

### **Customer Service**

Our customer service representatives are, and have always been, based in the USA, guaranteeing that our customers' needs are met as efficiently as possible.

### **30+ Years of Experience**

Founded in City of Industry, CA over 30 years ago, Sceptre Inc. made a promise to create & deliver superior products for remarkably affordable prices, a rare tradition that continues today.
